All packages offer an unlimited amount of photographs that can start the day with the bride getting ready, then onto the venue for the ceremony.

The day finishes at the Reception before the start of the wedding breakfast.

Photographs that are taken are a mixture of traditional, natural and some fun. They are firstly supplied in a PDF file as proofs to help you choose your album pictures, they are also provided as a DVD presentation with your own choice of music and then when your album is complete all images are supplied on disc to the bride and groom.

#### Package 1

This offers an 8x8 album from a wide selection in which 40 images, of your choice will be presented.

£650

#### Package 2

This is a 60 image presented album in 10x10. With your choice of album and images.

£850

#### Package 3

This provides an A4 size storybook album which 80 images are designed to your style by Laura.

£1000

(album size upgrades and parent album copies are available.)

All packages have a 10x8 print included.
